What an amazing start to the year we have had. Everywhere I look, I see the hand of God at work and it is powerful. The following 3 examples are just a sampling of all the places that we have seen God so far this year.

After preaching the sermon series on giving, and talking about why we give and how we give, the response of the congregation, of you all, has been powerful. The budget giving in January was sufficient for our expenses, but more importantly, I believe that people are developing new spiritual disciplines. When we put God to the test in giving and other disciplines, God is always faithful. So this looks like a season where we are growing in our walk with God, especially in spiritual disciplines.

While we were in Costa Rica, I was getting regular information from Adam about the revival going on at Asbury University. I have watched videos from people that were skeptical about whether this revival is "real" or not. I remember being a college student. If someone had said, "we are going to have a chapel service and it is going to last for 2 weeks," college students would not show up. You cannot plan this sort of thing. It only happens by the movement of God through the Holy Spirit. And watching the news and hearing accounts from other colleges and universities, God is stirring in the hearts of our young people and bringing revival.

And speaking of Costa Rica, it was an amazing time to see God at work. I had the opportunity to preach at the church in Pital, the church where so many of our teams have labored to build their building and also built fellowship with the church community there. Paul, the new missionary at the camp, began a van ministry the morning that we were there picking up 25 people from nearby Veracruz. It was wonderful to worship in that sanctuary, full of adults and kids, and see the joy on the faces of the congregation and feel the presence of the Holy Spirit. Space does not permit me to tell of all the other places that we saw God at work while we were in Costa Rica. So make sure that you are in worship on March 12th when the mission team shares about the trip this year and all the other ways that we saw God moving in Costa Rica.

Friends, God is at work, here and abroad. We are seeing God's Kingdom show up everyday. So let's continue to seek His face everyday. And who knows where He will show up next.

Pastor Keith

Reach - Connect - Transform - Send

A Passionate Thought from Pastor John

Before you begin, grab your Bible, you will need it.

Corrie ten Boom once said, "Don't worry about what you do not understand [in the Bible]. Worry about what you do understand in the Bible but do not live by."

Take a moment to **read Matthew 28:16-20**. Ponder on what God is revealing about your spiritual life with Him and your relationship with your neighbor.

Now, **read James 1:22-25**. In those two passages, what are you hearing from God? Take a few minutes to listen and reflect as you re-read those two Scriptures.

The Bible needs to be hidden in our hearts so that we might remain faithful, resist the temptations that are thrown before us by the evil one, and so that we might know and carry out the will of God in our daily lives. One way to accomplish that is to commit Scripture verses to memory. Work on just one verse a week or just one a month. Either way, you will be in double digits with memory verses by this time next year. Make a commitment to **READ** it often. **RECITE** it often. **RELY** on it often. Decide today to hide God's Word in your heart.

Be renewed by the transformation of your mind. Grow and mature by being in the Word. The biggest impact in our lives is the time we spend walking with Jesus in His Word. Spending just 3-5 minutes per day reading God's Word can radically transform your mind. Start off small, then work your way up to spending more time each day in the Bible.

At Cornerstone, we exist to REACH people with the Good News of Jesus Christ; to CONNECT them with God, His Word and other followers; so that they (and ourselves) might TRANSFORM into passionate, spiritual disciples led by the Holy Spirit and supported by a great faith family; in order that we might SEND more people into the world to make disciples of Jesus Christ.

Questions of the day:

What Bible verse will you start to Read, Recite, and Rely on this week?

Which of those four words (Reach, Connect, Transform, Send) resonates most with you?

How can you live into your calling by participating in the mission of CornerStone and Jesus?

Living the Life God has Given,
Pastor John

Transformation awaits.

Be a part of global change by supporting your youth group and their 30 Hour Famine Experience.

What: For 30 hours, we'll fast to raise funds that will help feed and care for hungry children around the world.

Why: Every 15 seconds, a child under 5 dies—and nearly half of those deaths are from hunger-related causes. That's why we're taking action now!

How you can help:

- 1. **Give.** Every \$40 we raise helps feed and care for a child for one month.

You Can:

- Visit our fundraising page at 30hourfamine.org/team/ashlandcornerstone
- Or text **GIVE30HF** to **44888**.

- 2. **Volunteer.** We need your help to make our Famine weekend a success! There are lots of ways to help out, from assisting with our fundraising events to bringing a meal to break our fast. Please join us by contacting Genée

- 3. **Pray.** Ask for God's grace over our event and our fundraising, and that we grow deeper in our love for Him while helping change the lives of kids who are hungry.

When: March 25-26

Our Goal: We're raising \$ 3,000+ to help feed and care for 75+ kids for a month.

To learn more, visit us at 30hourfamine.org | To donate, text **GIVE30HF** to **44888**

God continues to shower our church with many blessings! Our campaign continues to accumulate the amount needed to purchase a 2-4 year old gently used 15 passenger bus that is handicap accessible. At the present, we have accumulated over \$20,000 toward our goal.

If you would like to give toward this campaign, please mark your envelope, "Trustees Capital Projects". Thank you to everyone who have donated!

Youth & Children's

NEWS AND EVENTS

I am grateful to be part of a church body that cares deeply for its young people and has a heart for children both locally and abroad. We've been blessed to see our nursery team with children and to watch our Children's Choir and Puppets ministry lead us in worshipful performances this winter; many of you came together to put on the second of three youth confirmation retreats, and a small group attended the impactful Winter Blitz youth worship weekend in Louisville; our Stewardship and Missions class donated household items for Kentucky Refugee Ministries and has been making prayer pillows for those in our community who are sick. Our church is alive, and for this we should rejoice!

CornerStone's youth invite everyone to a chili cookoff on Sunday evening, March 26, at 5:30 in the Family Life Center as a fundraiser for our hungry brothers and sisters around the world. The youth will be taking part in the global 30-Hour Famine that weekend to raise money and awareness about hunger and to actively combat it through service projects and fundraising. The cookoff will break their fast and will be an exciting way for our whole church family to participate. If you are interested in competing for the *Golden Ladle* or would like to contribute in other ways such as bringing crackers, desserts, drinks, etc., contact Genée. We hope you will bring along the whole family and some friends too! Your donations for this meal will provide meals for others. Let's eat!

Dear Church Brothers and Sisters,

Wow, is all that comes to my mind as I write this news article. A better word on second thought would be BLESSED. That is how I feel and I know the team would agree.

God used us to accomplish many things on this trip. We had VBS for over 300 children, women's devotions and crafts, men's devotion, fed 240 children at the Pital feeding program, poured concrete, painted, built a retaining wall, built a bathroom for the feeding program and worshipped with our brothers and sisters in Christ at our sister church in Pital. I could go on and on. You will hear much more when the team presents.

The theme that we talked about the whole trip was love and allowing God's love to shine through us. Pastor Jerry Russell spoke about the most important thing we were doing was showing God's love and building relationships with the people.

Things and buildings pass away but God's love is and will always be with us. So simple yet so perfect.

Thanks to everyone for supporting this mission with their prayers and gifts.

1 John 4:8

The one who does not love does not know God, for God is love.

In His Love and Service
Eduardo
